Join the movement of women supporting women to create economic independence for women in Truckee and North Tahoe!

Support Women Supporting Women

Imagine a world where every woman has the opportunity to achieve her dreams. At Soroptimist International of Truckee Donner (SITD), we believe that by working together, we can turn that vision into reality. Join a growing movement of women-owned and women-led businesses in Truckee and North Tahoe committed to empowering women through education, training, and opportunity.

Invest in the Future

Your support of SITD's Women Supporting Women grant program directly fuels our Career Advancement Scholarship (CAS), which offers critical education and training opportunities for women at least one year out of high school. Last year, we received more than 27 applications and awarded scholarships to 13 inspiring women.

Through our Live Your Dream (LYD) program, SITD also provides essential financial support to women who are the primary earners for their families and are pursuing education or vocational training to create a better future.

With your contribution, we can expand our impact and empower even more women to succeed.

Your Impact

By donating $500 or more, you play a crucial role in helping women gain the skills they need to achieve economic independence. Grant period is yearly from September through December. In return for your generosity, SITD will:

- Feature your logo with a direct link to your website on the SITD website.
- Recognize your company in a December press release at the end of the grant period.
- Promote your business to SITD membership and at our community events.
- Invite you to our prestigious Best of Women event in March, where we honor our grant and scholarship recipients.

Make a Difference Today

Your support is not just a donation; it's an investment in the future of women and girls in our community. Together, we can break down barriers, promote gender equality, and empower women to reach their full potential.
